Striking Plan for Decoration of Route Along Which Veterans Will March.

HEADQUARTERS OF STATES

Where Delegations Will Be Stationed During Reunion in Richmond.

SPONSORS AND MAIDS

For the information of camps and to save embarrassment, the following notice is published: There are no camp sponsors and maids of honor. Division and State sponsors and maids of honor are appointed by the division commanders. A card is sent to each of these official sponsors and maids to be appointed, and they are entertained at the Jefferson and take part in the general parade.

MRS. N. V. RANDOLPH, Committee on Entertainment of Sponsors and Maids of Honor.

Architect Peter J. White, chairman of the Confederate Reunion committee on decorations, yesterday announced his plans for the adornment of the route over which the two great parades of the old soldiers will pass. He and his associates have worked out a very striking arrangement, whereby each of the States of the Southern Confederacy will receive due recognition in the color scheme.

A block or more will be devoted to each State, and this space will be decorated not only with the colors of the Lost Cause, red and white, but also with the various flags of the Confederacy and with the banner of the State in question.

In a certain sense, there will be also an element of the educational in this plan, as the streamers of the respective States will indicate the dates on which they seceded. In the case of those States which, for one reason or another, did not withdraw from the Union, but nevertheless sympathized with the Southern cause, other inscriptions will be adopted for their flags.

Plan in Detail.

According to the ingenious scheme which Mr. White has perfected, South Carolina will have the first place in the line of decorations, as it was she who first withdrew from the Union. Here is the plan in detail:

Grace Street, North to Eighth Street, South Carolina, seceded December 20, 1860.

Grace Street, Eighth to Seventh Street, Mississippi, seceded January 9, 1861.

Grace Street, Seventh to Sixth Street, Florida, seceded January 10, 1861.

Grace Street, Sixth to Fifth Street, Alabama, seceded January 11, 1861.

Fifth Street to Franklin Street, Georgia, seceded January 19, 1861.

Franklin Street, Fifth to Fourth Street, Louisiana, seceded January 26, 1861.

Franklin Street, Fourth to Second Street, Texas, seceded February 1, 1861.

Franklin Street, Second to Foushee Street, Virginia, seceded April 17, 1861.

Franklin Street, Foushee to Jefferson Street, Arkansas, seceded

May 6, 1861.

Franklin Street, Jefferson to Monroe Street, North Carolina, seceded May 20, 1861.

Franklin Street, Monroe to Belvidere Street, Tennessee, seceded June 8, 1861.

Franklin Street, Belvidere to Shafter Street, Kentucky—It seceded June 20, 1861.

Franklin Street, Shafter to Ryland Street, Maryland—Shield Unfurnished.

Franklin Street, Ryland to Lombardy Street, Missouri—After Price Above Rubles.

The location on the Missouri steamer, which partakes of the nature of a play upon words, is a very felicitous one, as it was this State which produced the famous Southern leader, General Sterling Price.

Captain White earnestly requests all householders along the line of march to supplement the official decorations by adorning their private residences.

Locations Announced.

The following locations were announced yesterday at the division headquarters for the various States sending delegates to the reunion:

Oldest Man in America
Praises Renewer of Youth

MR. FRANK McNALLY, 110 YEARS OLD.

Mr. Frank McNally, of Clinton, Michigan, who is 110 years old, says that Duffy's Pure Malt Whiskey has helped him right along and is the best tonic he has used in eighty years. Mr. McNally owes his long life and vigor to Duffy's Pure Malt Whiskey, the Elixir of Life.

The records of the Roman Catholic Parish of Summerhill, Ireland, contain this entry: "Frank, son of Thomas and Jane McNally, baptized April 10th, 1797."

On March 7th, last, Mr. McNally wrote: "There is no mistake about it, your Medicinal Malt Whiskey helped me right along, and has preserved my strength and vitality, and as long as I have the money to buy it I never will be without it. It is a godsend to humanity, necessary to my well being, and the best Malt Whiskey I have tasted in the last 80 years."

Duffy's Pure Malt Whiskey

Is distilled wholly from malted grain by a most expensive method which has never been made public. This private process insures quality and flavor. Its age, softness, palatability and freedom from those injurious substances found in other whiskeys make it acceptable to the most sensitive stomach.

If you wish to keep young, strong and vigorous, and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill yourself with drugs; they poison the blood, while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere. Duffy's Pure Malt Whiskey has stood many severe tests by skilled chemists during the past fifty years, and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey, and is sold in sealed bottles only; never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Illustrated medical booklet and doctor's advice free. Duffy Malt Whiskey Co., Rochester, N. Y.

Va., \$18.25; Frederick H. Williams, Baltimore, Md., \$1; "Company G," \$20; Robert Schaefer, \$5; "A Friend," \$10. Total, \$108.25.

MAYOR SCHMITZ HAS
NOT RESIGNED YET

San Francisco's Executive Still Retains His High Office.

SAN FRANCISCO, CAL., May 18.—Notwithstanding the many contradictory stories told about the scope and power of the committee of seven it is now generally conceded that the administration of municipal affairs in this city is to some extent at least in its hands.

In a written agreement Mayor Schmitz has bound himself, it is said, to carry out any request which this committee may make of him. The committee already has begun an investigation into the conduct of the public department, and will gradually extend the scope of its actions to the work board, street department and other branches of the municipal government.

"The committee's agreement with Mayor Schmitz, is short, barely embracing ten lines of writing, but it contains his sweeping promise to act absolutely and completely as the committee may direct. Mayor Schmitz has not resigned. All re-

GIRL SAVED FROM
HELL-GATE WATERS

Thrilling Searchlight Rescue of One Who Wanted to Die.

TWO MEN IN HEROIC BATTLE

NEW YORK, May 18.—A spectacular searchlight rescue was effected in the swirling waters of Hell Gate early today when three young men saved Frances Horr, aged 17 years, from suicide. The girl had thrown herself into the river but the love of life temporarily overcame her desire to die and she screamed lustily. Joseph Lazarus, Michael T. Flynn and Valentine Sealander were about to leap blindly into the river, trusting to chance to direct them, when the searchlight of a passing steamer revealed the struggling woman. Lazarus reached the girl first and was nearly overpowered by the would-be suicide. His companions reached him just in time to save the pair.
